

HONDA

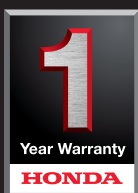

UMC 435 E

Versatool™

The Versatool™ is designed to take on a huge range of garden tasks. With eight push-and-click attachment options and a 4-stroke engine at its heart, it's the ultimate power tool for gardening perfection.

- This powerful yet ultra-quiet, smooth and efficient GX35T 4-stroke starts first time with no mixing of fuel and oil needed
- Easy start engine with low recoil effort, gives outstanding smooth operation and reliability
- The Honda R&D team have designed a clutch block in two parts and fitted a vibration absorber in the middle. Vibrations from the engine are absorbed to give you improved control
